

Theories and Practices in Toxicology and Risk Assessment

April 15-18, 2002

Cincinnati Marriott North
6189 Mulhauser Road
Cincinnati, OH 45069

An interagency conference sponsored by Tri-Service (Air Force, Army, Navy) Toxicology; the U.S. EPA, Office of Research and Development, National Center for Environmental Assessment; Agency for Toxic Substances and Disease Registry, the Division of Toxicology; the National Institute of Environmental Health Sciences; and the Food and Drug Administration. The conference is held with the cooperation of the National Research Council/ National Academy of Sciences and the National Institute for Occupational Safety and Health.

Session Topics

Risk Assessment:
Current Advances and
Future Challenges

Indirect Pathways of
Exposure

Military Perspectives and
Integrated Approaches

Recent Advances in
Ecological Risk
Assessment: Including
Spatial Considerations

Low-Level Chemical
Exposure: Lessons
Learned from the World
Trade Center and
Pentagon Experiences

Genomics/Proteomics/
Metabolomics

Inhalation and Aerosol
Exposure

Risk Communication

Modeling: Better Living
Through Silicon

Risk Reduction

Workshop Topics

Let's Optimize Your Non-
Verbal Communication in
Challenging Situations

U.S. EPA's Guidelines for
Ecological Risk
Assessment

Bioinformatics

Methods and Guidance for
Health Risk Assessment
of Chemical Mixtures

Overview of the
Development of Age-
Specific Physiologically-
based Pharmacokinetic
(PBPK) Models for
Application in Health Risk
Assessment

Dermal Risk Assessment
- Practice and
Controversy

Overview of EPA
Benchmark Dose
Methods and Introduction
to Benchmark Dose
Software (BMDS)

Risk Communication
During a Crisis

Keynote Address: "Environmental Risk Assessment: Past, Current, Future"

Elizabeth Anderson, Ph.D.
Sciences International, Inc.

The conference will feature invited presentations by noted individuals in their fields, contributions and poster presentations relevant to the conference theme will be accepted. **Poster Abstract must be received by 15 March 2001. Electronic submission required.** For further information on how to submit an abstract contact: John.Olear@wpafb.af.mil or the conference coordinator.
